

Entrance Changes to Western Memorial Regional Hospital

WMRH has made changes to entry points to support anticipated increase in services as well as visitation/support person.

To promote physical distancing we are asking the public to follow new directional signage and enter the building using designated entrances. All entrances will have a large number outside of each entry point. The table below identifies the entry based on the reason for visit.

For appointments booked in advance the number of the entry will be provided with the appointment time.

Western Memorial Regional Hospital

Entrance Number	Entrance	Appointment or Service	Hours of Operation
1	Patient Emergency entrance	Emergency or fast track/outpatients' clinic	24/7
2	Main entrance	All booked appointments (such as surgeries, procedures, xray, cancer care, audiology, speech therapy etc)	8:00 am to 8:00 pm
3	West side building	Support person/designated visitor	8:00 am to 8:00 pm
4	Monaghan Hall	ACTT Mental health services/psychiatry appointments	8:00 am to 4:00 pm
5	Outpatient Physio	Outpatient visits by appointment	By appointment

Between 8:00 pm to 8:00 am the only entry point into WMRH will be the number 1 entrance.

We remind the public to practice social distancing and to wear the mask provided during their time in the facility.
