

## Western Health Vaccination Clinics

It's Flu season. Protect yourself and your loved ones and get a free flu shot. Appointments are required for flu shots this year.

COVID-19 Vaccinations are also available by appointment or walk in at any flu vaccine clinic. If you wish to receive both your flu and COVID-19 vaccine you should book an appointment for your flu shot, and tell the registration clerk that you wish to also receive your COVID-19 shot during you appointment when you arrive at the clinic.

Flu shot clinics offered by Western Health will be completed as of November 15. If you still require a flu shot after this time please check with your local pharmacy or physician. If there are no pharmacies or physicians offering flu shots in your area you may call and make an appointment at your local public health office.

Make your appointment online [here](#) or by calling 1-833-703-5470 toll free.
